## Technical Skills Development

1.1 Describe areas for development in your current knowledge, understanding and skills

|  |   |
|--|---|
| <b>What are your current knowledge and understanding in film?</b> (Consider: genres; documentary styles; directors, actors/presenters, score, style) | I'm currently aware of all of the genres in film and TV. I'm also aware of some different types of documentaries due to my work experience. I know some directors and actors and presenters but I'm terrible with names.  |
| <b>Do you have specific areas of interest or skills in filmmaking?</b> Writing? Sound? Edit? Camera?   | I currently have a passion for cinematography and editing but sound does intrigue me a tad too.   |
| <b>Are you studying / working at the moment?</b>   | I'm studying on a Creative and Digital Media course at college.   |
| <b>Have you done film or other creative media work already?</b> Please add links to film work, photos, music etc.                                    | <a href="http://www.youtube.com/watch?v=BdaV-FrBcIU">www.youtube.com/watch?v=BdaV-FrBcIU</a><br><a href="https://youtu.be/X1yeDrRKLNg">https://youtu.be/X1yeDrRKLNg</a><br><a href="https://youtu.be/izezGGDwWaU">https://youtu.be/izezGGDwWaU</a><br><a href="https://sophiemedia1pc.weebly.com/">https://sophiemedia1pc.weebly.com/</a> |
| <b>What areas of your film production knowledge, understanding and skills would you like to improve?</b> Give reasons.                               | I would like to improve my knowledge about the different roles and responsibilities on a film set as well as my knowledge and understanding of cinematography and cameras so that I feel more comfortable on set in the future.   |
| <b>What role(s) would you see yourself taking on your Academy film?</b>  | Preferably cinematographer but my second choice would be editor.  |
| <b>What do you hope to gain from the BFI Film Academy?</b>   | I hope to gain a better understanding of how a film is made, different peoples roles and to further improve my own skills.  |
| <b>Do you have plans to further study and work in film or wider creative media?</b>  | I'm still in two minds about going to <del>university</del> university but if I don't go, I hope to go straight into the industry as a runner.  |
