

Working practices and legislation

4.1 (pt 2) Demonstrate good health and safety practice when working on film productions

<p>How will/did you apply good health and safety practice when making your film?</p>	<ul style="list-style-type: none">• Everyone will be briefed about:<ul style="list-style-type: none">- Where the fire exits are- Tripping hazards- Walls not to lean against- No running on set- No food or drinks on set• There will be a qualified personnel on set first aider on set at all times.• All hazards are dealt with when found.
<p>Add your risk assessment and explain why this is important.</p>	<p>A risk assessment is important because it informs everyone about all of the risks on set, and the severity of each one and what to do if an one of them occurs.</p>
